## **DETAILED ACTION**

### ***Election/Restrictions***

1. Applicant's election with traverse of Group IIA in the reply filed on September 2, 2005 is acknowledged. However, in the reply, Applicant submits new set of claims 8-16. These new claims are differed from claims 8-15, originally submitted, filed March 23, 2004.

According to the election, Group IIA is elected. The Action on merits of Group IIA, claims 8-15 (as originally filed) follows.

2. The Non-elected invention, method and species, Group IIB and IIC, claims 1-7 and 16-31, respectively, have been canceled, therefore Applicant's arguments with respect to canceled invention and species have been considered but are moot.
